# MONDRIAN MUNNY

*Fall 2020 | Pratt Institute | Instructor: Sulan Kolatan | Location: Brooklyn | Role: Designer*

I have mashed up Munny and three different Mondrian composition drawing by Mondrian and Richard Pettibone Which is showing the The contrasting horizontal and vertical lines represent to mimic of rythm and vibration of life. Considering Munny as a simplified configuration, I thought it would be interesting to mashup restrained styled drawing with the simple shaped doll “Munny” to get somewhat different but not so different results from the original.
