## EXPERIENCE

**ANT YAPI / BODRUM, TURKEY** SUMMER 2020  
Interior Design Intern, member of a team of five  
Project: Summer Residential Complex  
- Developed the renderings of given furniture layouts of a single mock-up house  
- Researched materials and finishes and tested material palettes  
- Did accessory shopping and presented to the interior designer in charge

**METEX DESIGN / ISTANBUL, TURKEY** SUMMER 2019  
Interior Design Intern, member of a team of ten  
Project: Proposal of a Hotel Design  
- Assisted in creating technical drawings including architectural plans and sections  
- Worked on the 3D model in Revit  
- Researched materials and presented moodboards for the interior designer in charge  
- Produced a presentation board for a client meeting

**ANT YAPI UK / LONDON, UK** SUMMER 2018  
On-Site Intern, member of a team of eight  
Project: Renovation of Hartcourt House in Cavendish Square, London into a high-end private residential  
- Carried out site survey with a team  
- Assisted in developing architectural plans in AutoCad  
- Prepared schedules for material and finishes

## SELECTED PROJECTS

**BELONGING: CREATION OF TRACES / THESIS PROJECT** SPRING 2020  
- Designed an artist residency program in an abandoned power plant in Sunset Park  
- Curated a shared experience to unite audiences while revaluing a decaying structure through artistic processes

**ENCOMPASSING FACETS / OFFICE DESIGN** SPRING 2019  
- Designed an workspace for the offices of the United Nations Divisions for Inclusive Social Development in the Pepsi-Cola building.

**FOLDING PLANES / LIBRARY DESIGN** FALL 2019  
- Re-envisioned an existing branch of New York Public Library in Brooklyn.

## SERVICE

**DOWN'S SYNDROME PROJECT / ISTANBUL, TURKEY** 2013 - 2018  
- Painted designs on rocks, and sold them in charity events  
- Created an art piece and sold it to a hotel to be part of the lobby decoration  
- Donated all of the income to Down Syndrome Association

**RUSTIC PATHWAYS / LA FORTUNA, COSTA RICA** 2016  
- Attended a two week student travel program for community service  
- Helped to improve schools, planted trees, taught English to kids
