VERONICA PANTIN

INTERIOR DESIGN

SUMMARY

Interior Designer with recent undergraduate degree from Pratt Institute with a Sustainability Studies minor. Professional experience in international design firm and designing prefab units, private dwellings, and residential lobbies. Academic experience in commercial design with a focus on workspaces, cultural centers, and restaurants. Strong interest in moving to commercial interior design and work that infuses and explores culture. Actively looking to be part of a hands on, innovative, and thinking outside of the box team when working on projects.

EXPERIENCE

Masaya & Company / Guayacan Homes May 2020 - Sept. 2020
Interior Design Intern Managua, Nicaragua

Nicaraguan-based furniture and prefab renewable homes company with offices in Costa Rica and Nashville dedicated to restoration and sustainability.

Projects: All-wood reconstruction of Fire Island Residence and Sustainable Prefab Units Design

- Served as interior designer for a high-profile client's all-wood re-construction of a dwelling at Fire Island, New York.
- Sourced sustainable wood options from reforested cow pastures as an economic alternative to cattle ranching and deforestation.
- Introduced client's vision to the design team through a cross-functional approach with the furniture design team leader.
- Produced the initial 3-D modeling to facilitate the visualization of the space along with weekly rendering updates as we progressed.
- Designed the furniture plans and renderings for pre-fab housing units.

Carnegis Group LLC May 2018 - July 2018
Interior Design Intern Houston, TX

Projects: Lobbies for Residential Buildings

- Provided design support to interior designers and assisted with furniture planning.
- Researched interior products, requested vendor quotes and created purchase orders for fabrics, furniture, lighting, and accessories.
- Researched and presented colors/materials for the interior designer in charge.
- Created schedules, tracked orders, and coordinated deliveries, and tracked budgets for accessories and installations.
- Maintained resource library appearance.

ACCOMPLISHMENTS

- Graduating with Honors
- Naomi Leff Excellence in Interior Design Scholarship
