Hello!

I have a wide variety of interests regarding design: industrial, graphic, and photography. With my strong work ethic and passion for design, I hope to be able to make products that will “spark joy” in people’s lives. :-)

Education

Pratt Institute (Brooklyn, NY) Sept 2017 - May 2021

Bachelors of Industrial Design

President's List Honors 2017-2020, Presidential Merit Scholarship 2017-2021

GPA: 3.8

Irvington High School (Fremont, CA) Sept 2013 - June 2017

Experience

Toymail 3D Design Intern Sept 2020 - Dec 2020

Design multiple products through researching, hand sketching, 3D modeling and rendering, and making presentations.

- Actively contributed to designing toys, furniture, and electronic goods.
- Researched precedents and created unique design proposals for each project.

Bandofest Mentee July 2020 - August 2020

KRNB (Korean RnB) Shoes is a Summer 2020 footwear design project I

- Worked on with the help of an industry professional, Yurri Mial, a Senior footwear designer at Under Armor.

Rapid Prototyping Monitor Sept 2019 - Dec 2020

- Helped students with their laser cutting for their design projects.
- Cleaned and maintained machines.
- Self Monitored and was able to problem solve when students had complicated designs to cut.

Freelance Designer + Photographer 2016 - present

- Designed websites for restaurants and non-profit organizations
- Designed posters and brochures for events
- Took engagement, graduation, and prom photography
