

THE BOOGEY MAN

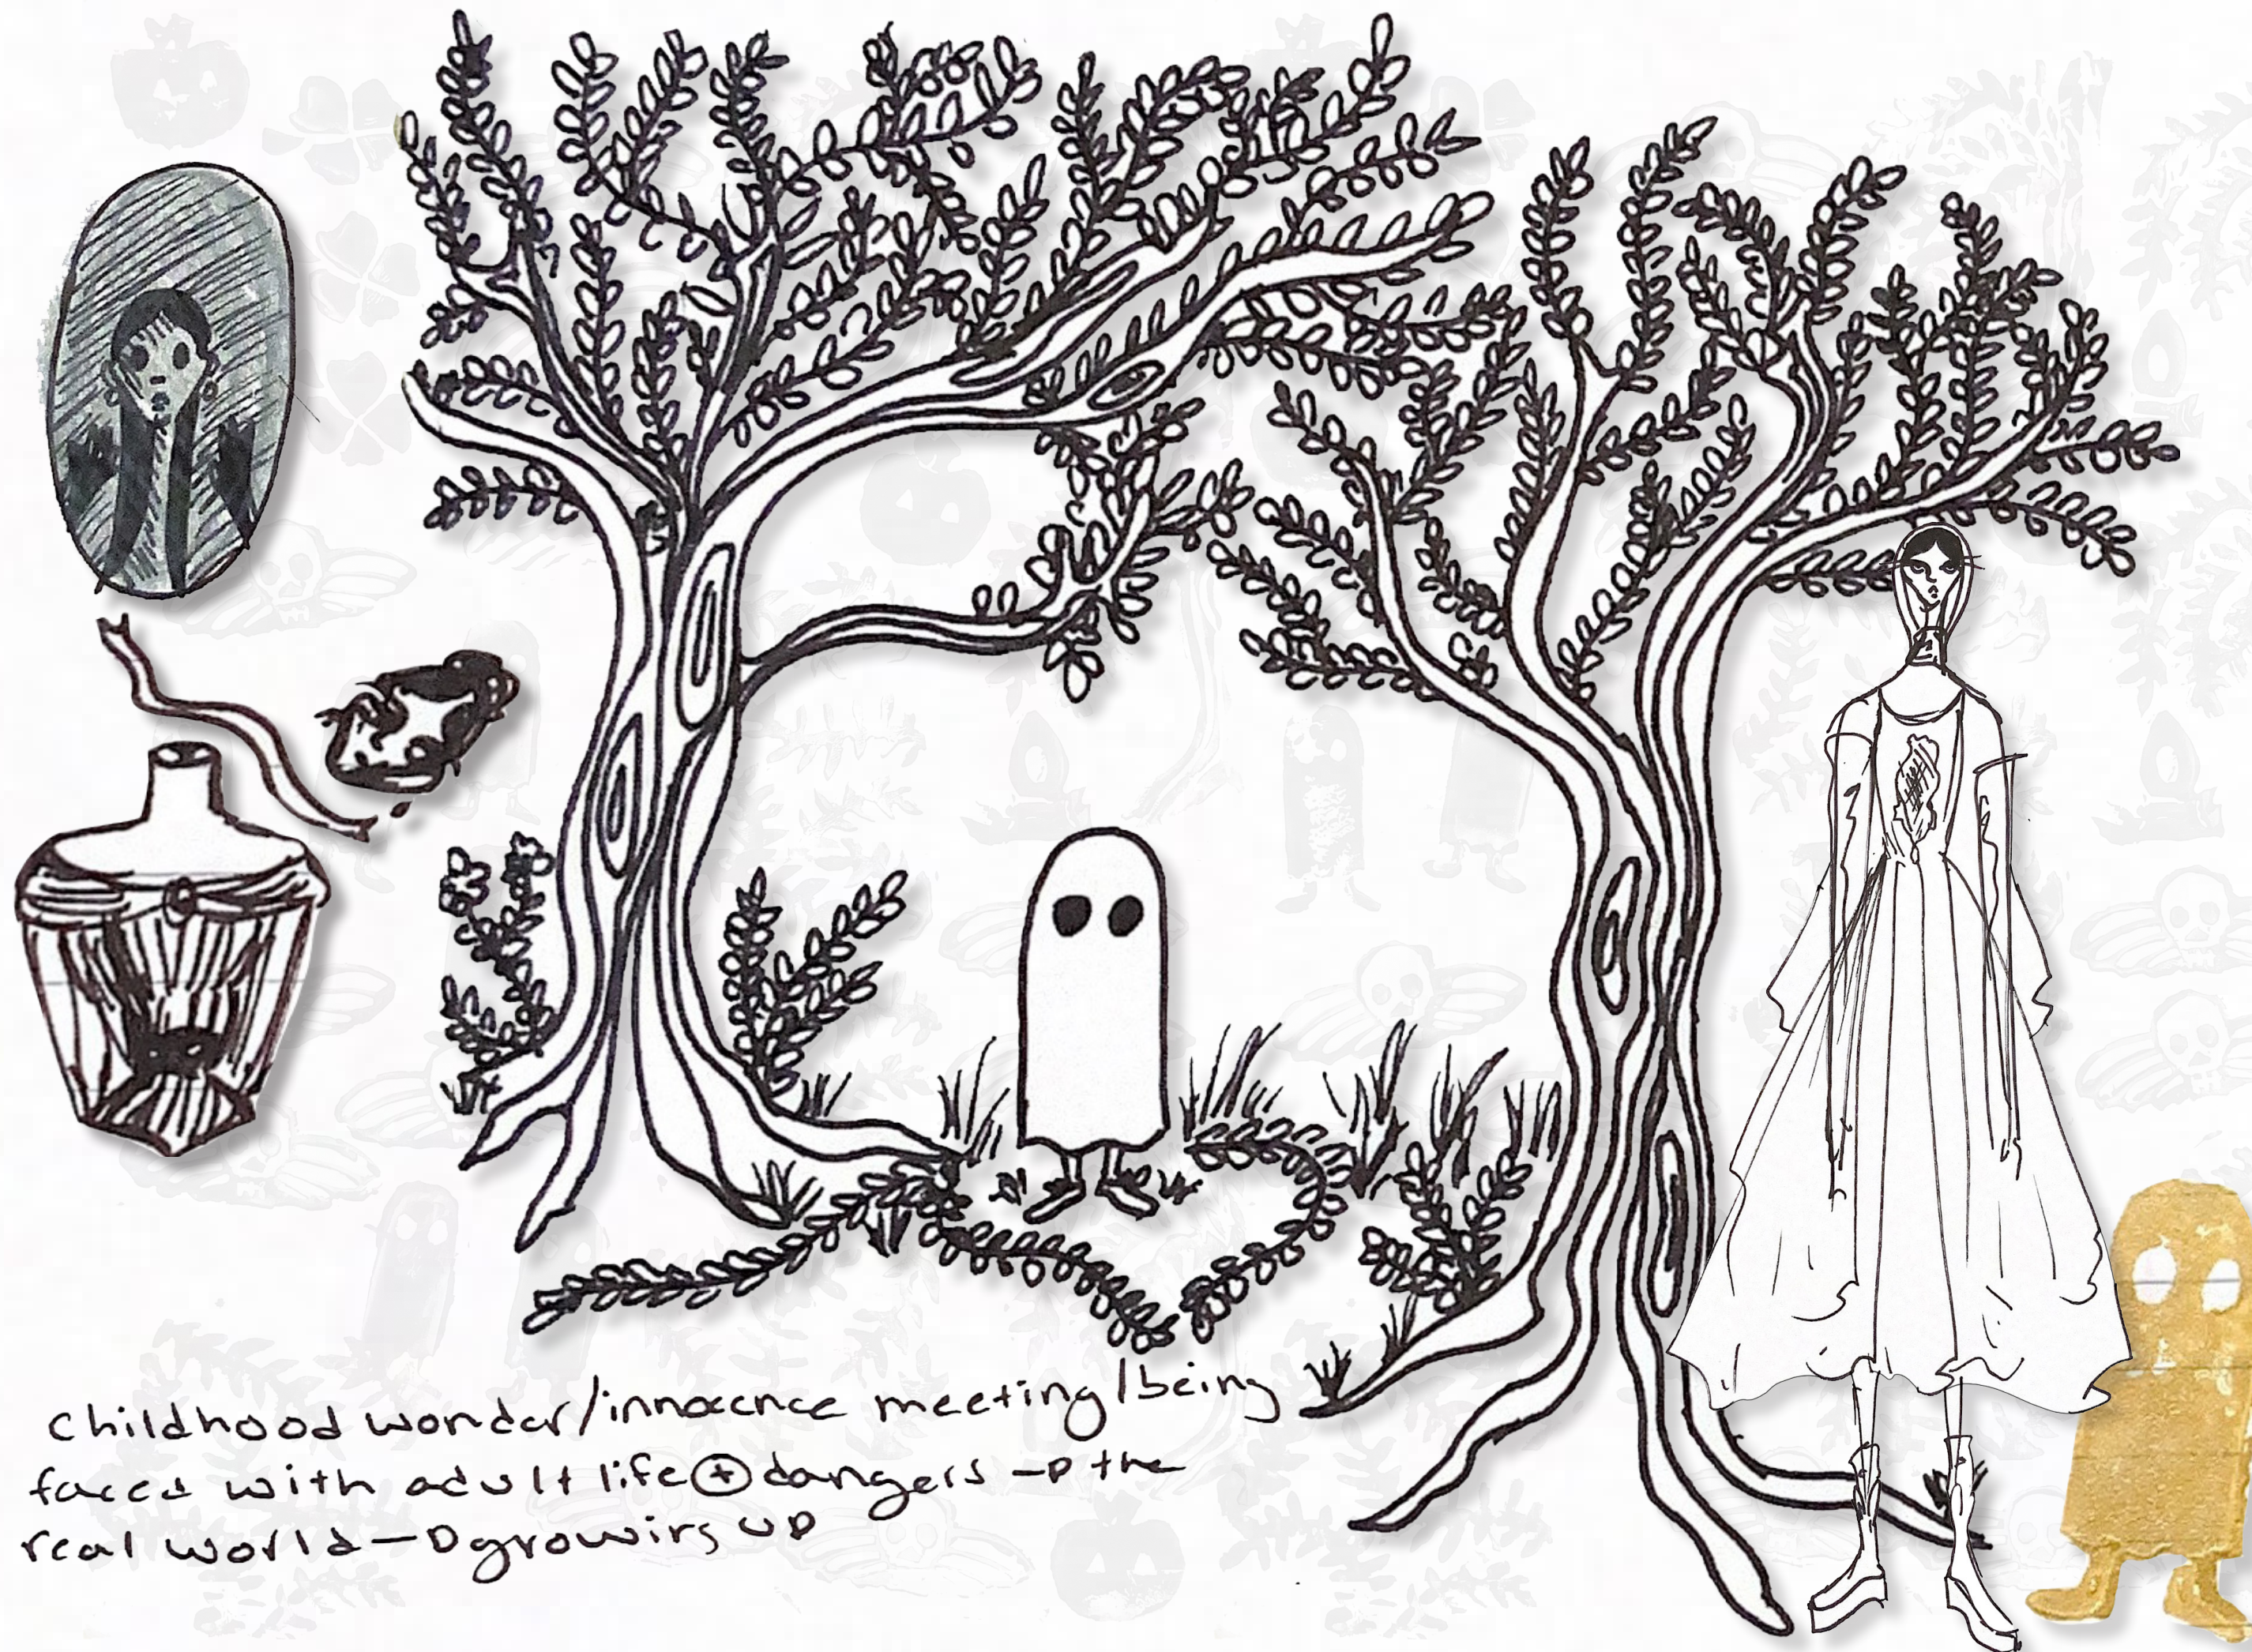

Beware of this and that

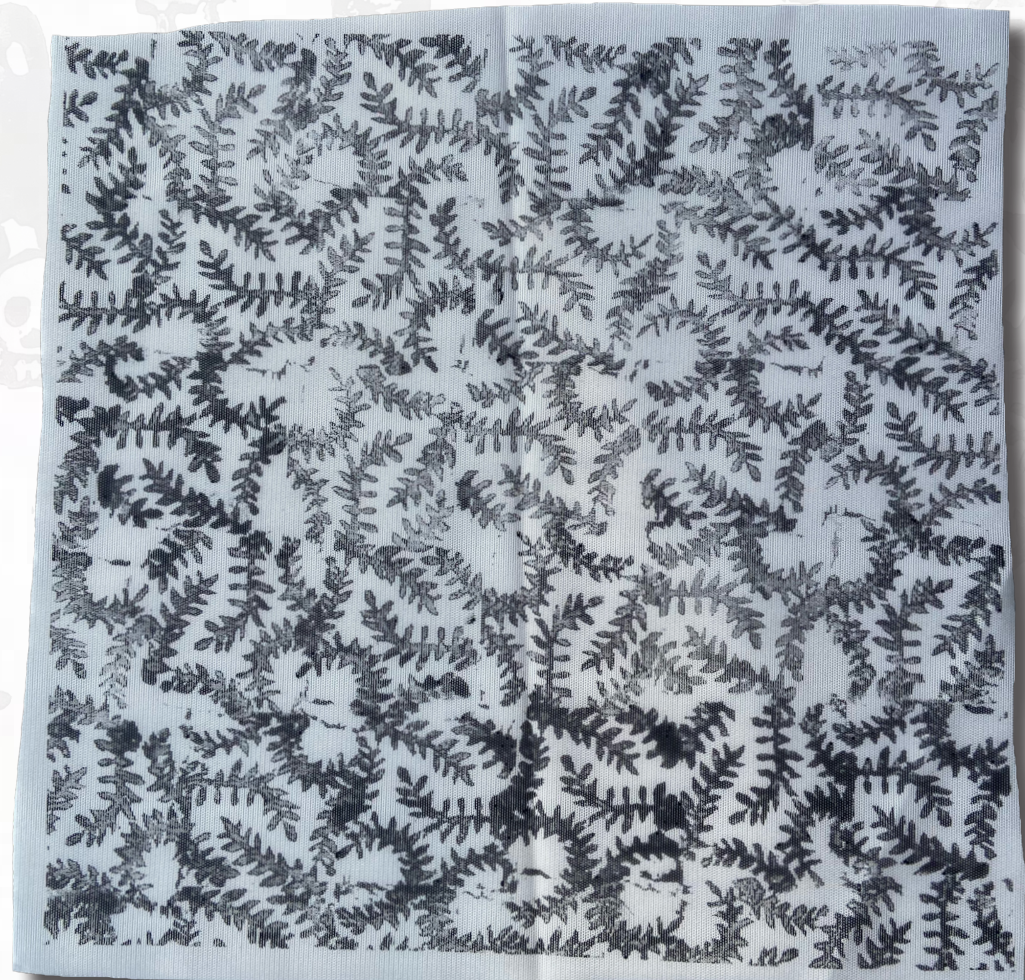

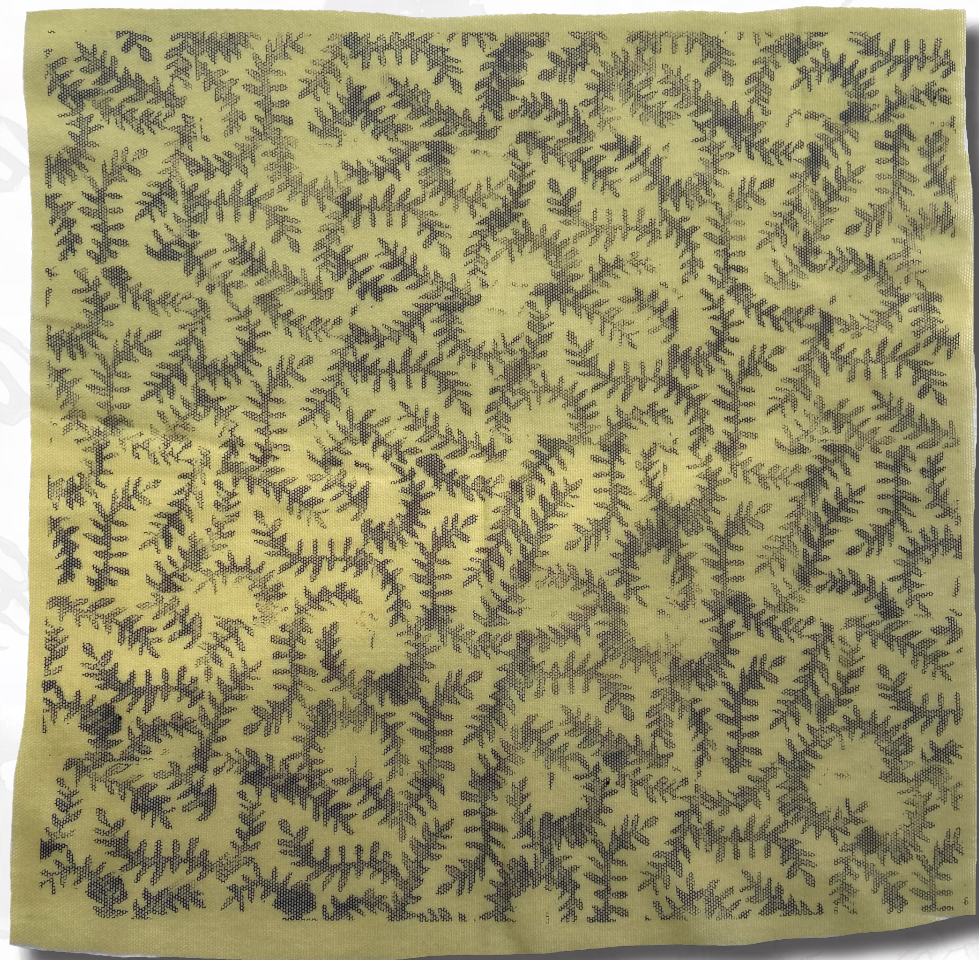

“People call them boogey men. We imagine them, they say. But now and then a boogey man turns out to be real ...”

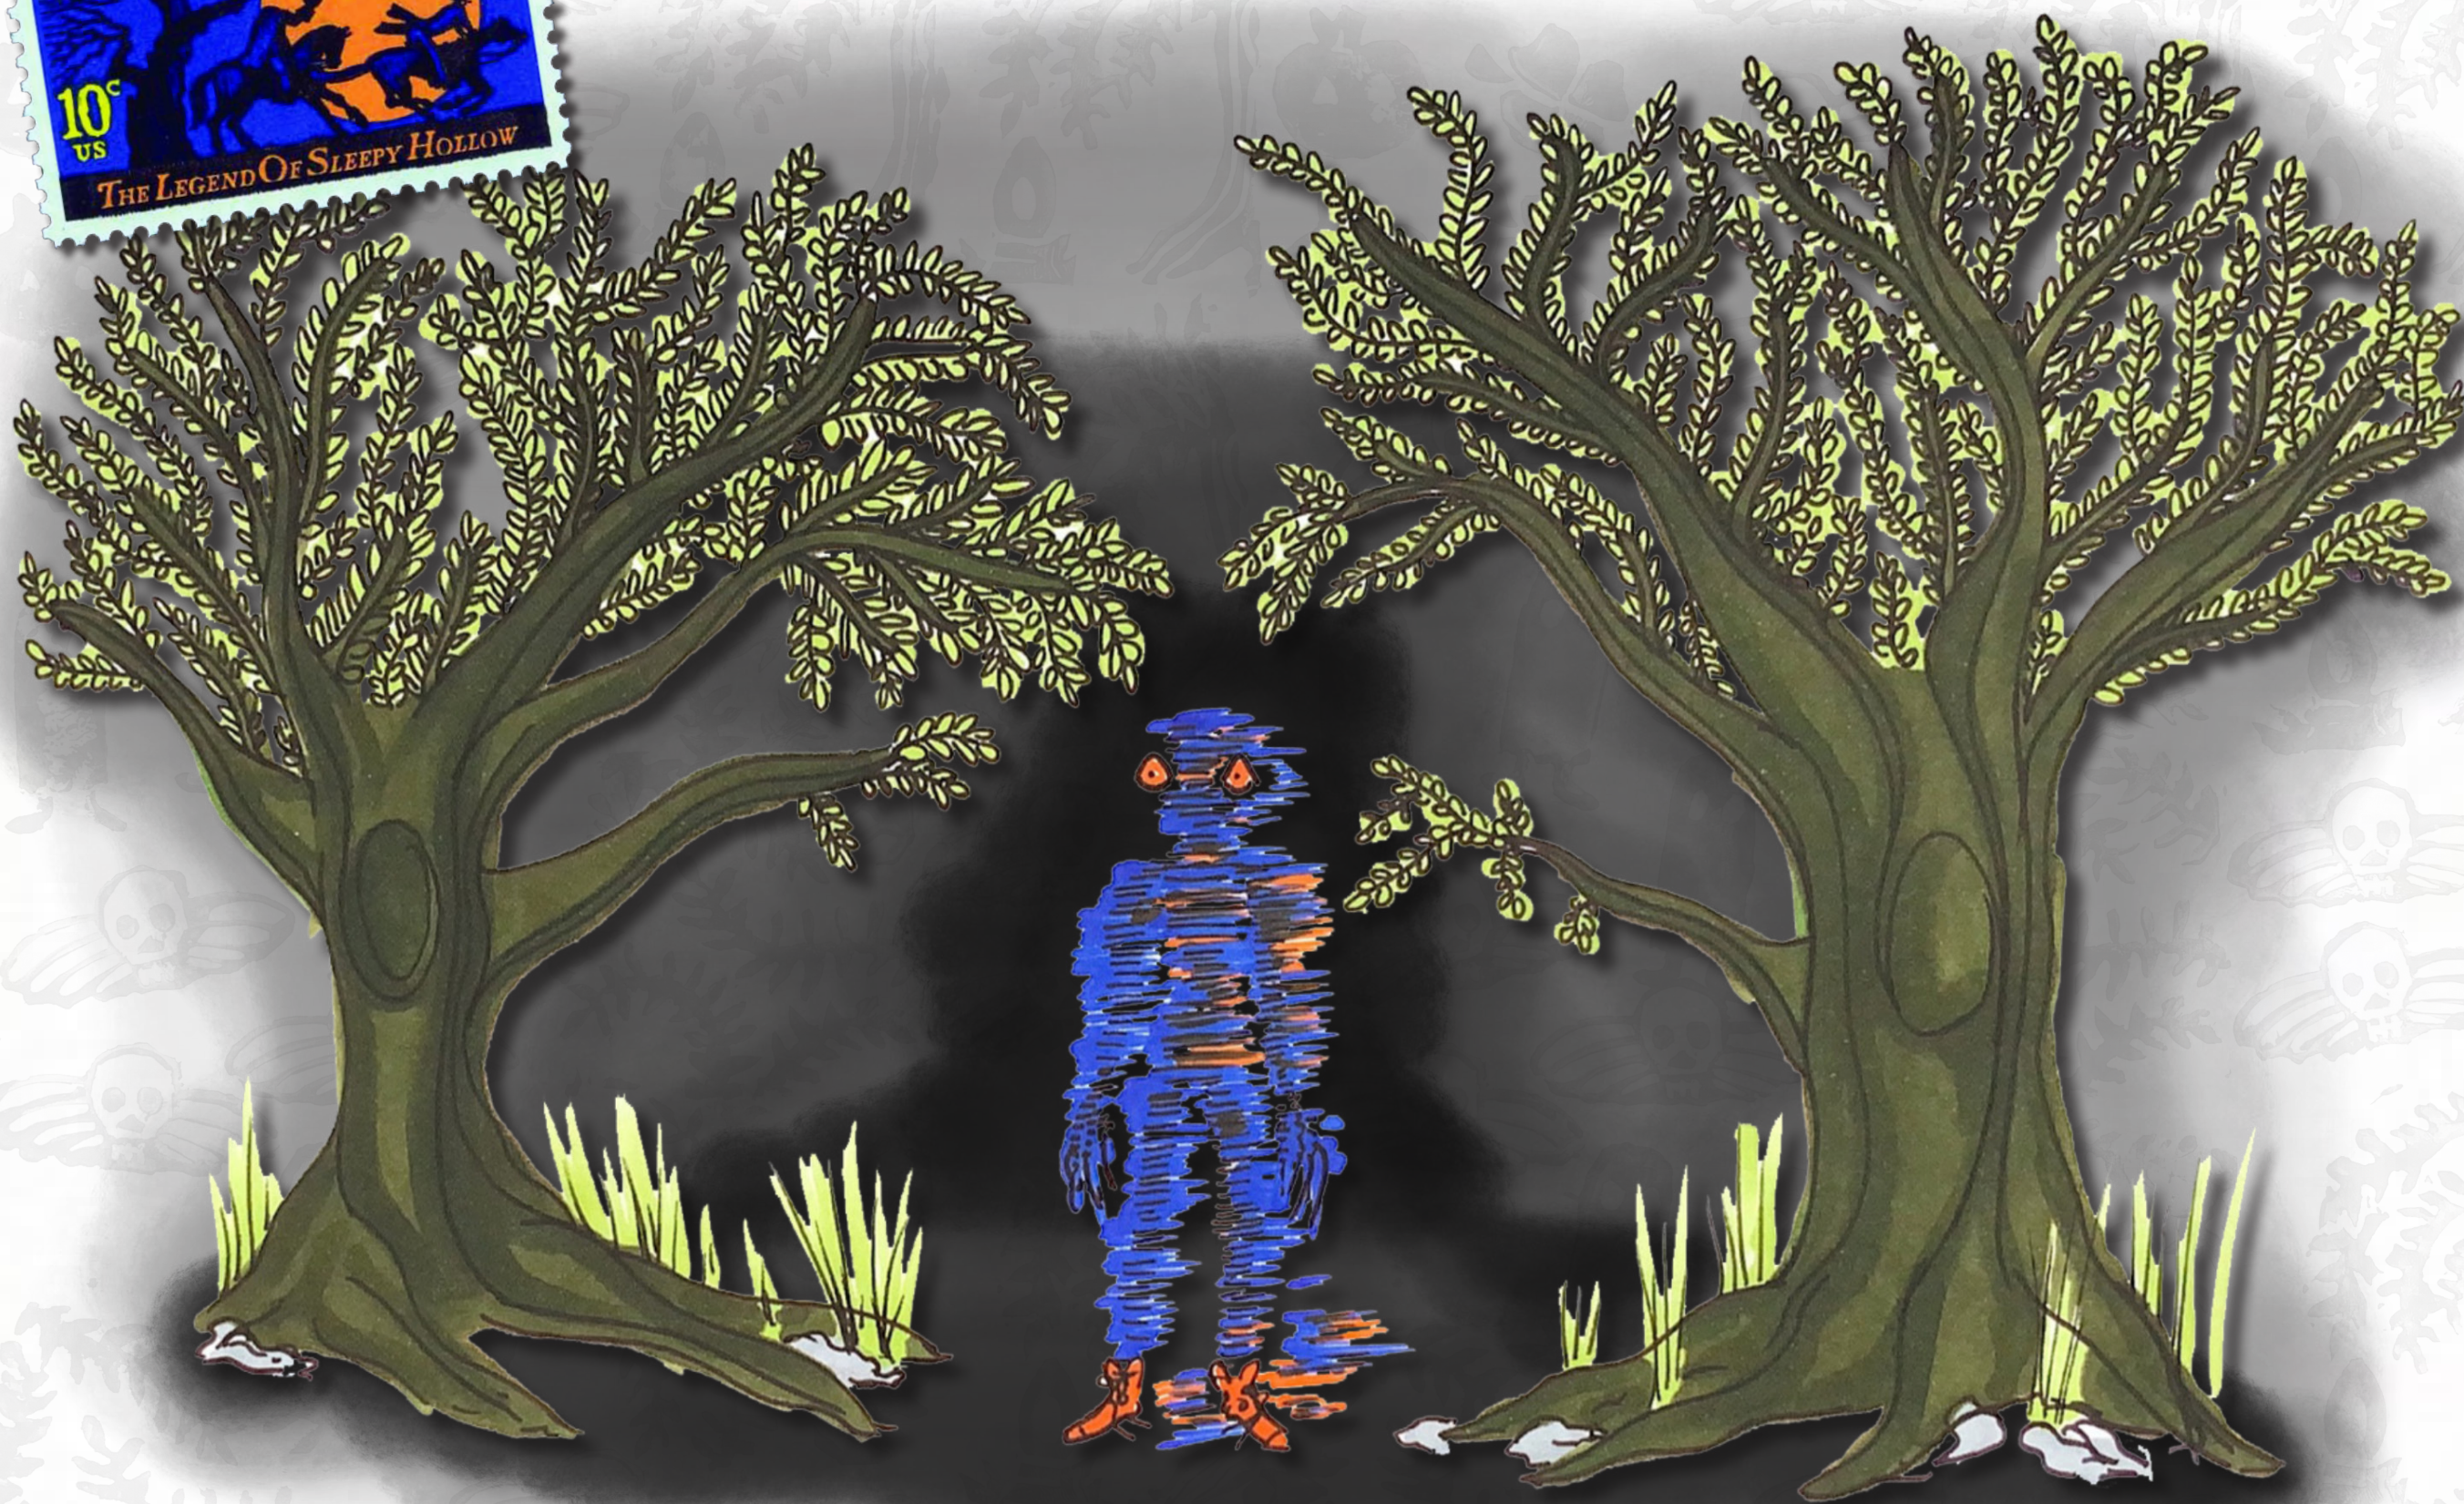

childhood wonder/innocence meeting/being
faced with adult life + dangers -> the
real world -> grows up

How do we understand fear as we grow older?
Childhood fears might disipate, but they are always
in the back of your mind and in your stories ...
